Meyers Road and Parking Area Temporarily Closed June 15-16 for Road Maintenance

BAYFIELD, WI – National Park Service roads within Apostle Islands National Lakeshore will be chip-sealed this year. Meyers Road and parking area are scheduled to have this work done June 15 and 16, necessitating closure of both the road and parking area. During this time, there will not be any access to the beach or trail.

Chip-sealing on Little Sand Bay Road and paved areas in the Little Sand Bay area, including the parking lot, will be done following the work at Meyers Beach. Access will be maintained to Little Sand Bay during this time. The project is scheduled to be completed by July 3rd.

Superintendent Krumenaker stated, “We apologize for any inconvenience this causes. To minimize impact on visitors, the work has been scheduled as early in the year as possible.”
